Cause No. C21-0301RSL

ORDER STRIKING AMENDED
COMPLAINT FOR DECLARATORY
AND INJUNCTIVE RELIEF

This matter comes before the Court *sua sponte*. On April 20, 2021, plaintiff filed a First Amended Complaint for Damages. The original pleading and the answer thereto were served more than twenty-one days ago, and there is no indication that defendant provided written consent to the amendment. *See* Fed. R. Civ. P. 15(a). The amended pleading (Dkt. # 15) is therefore STRICKEN and will not be considered.

Dated this 23rd day of April, 2021.
